

OCTOBER 2020 EDITION

October is gone already?!

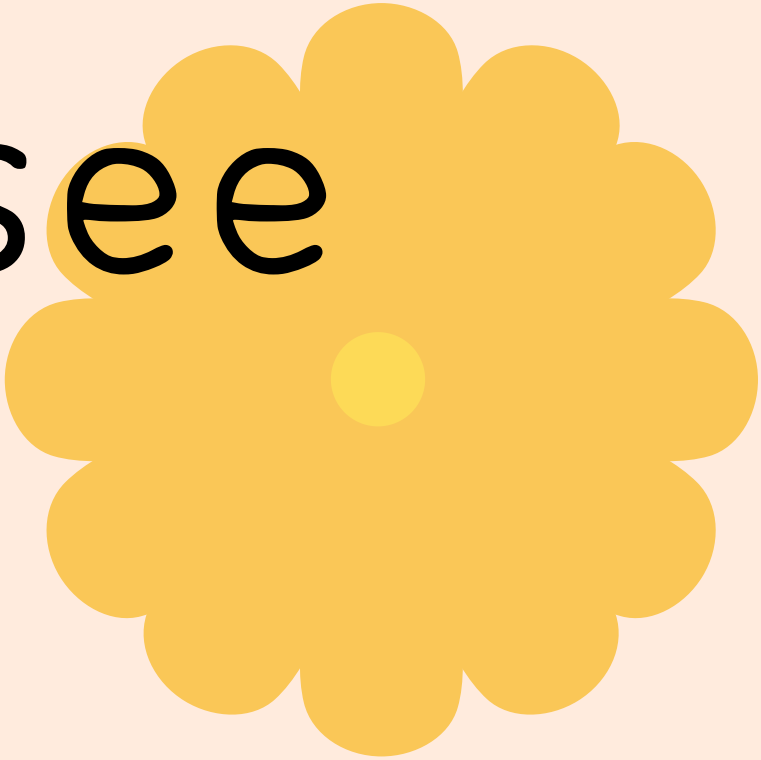

Hey my friends,

Just wanted to give a big shout out to everyone (faculty, staff and students), for pushing through these past few months. I know these are challenging times and the support we give each other in this community is why we are all going to be (and are) amazing educators.

Keep up the great work and positivity!

**Best,
Emma**

Kids

If you have any talents you are willing to share, please send me an **email of a video or picture of you!**

This can be any talent from musical talents to writing to yoga to magic to anything you can imagine.

I will be posting these in the **November edition.**

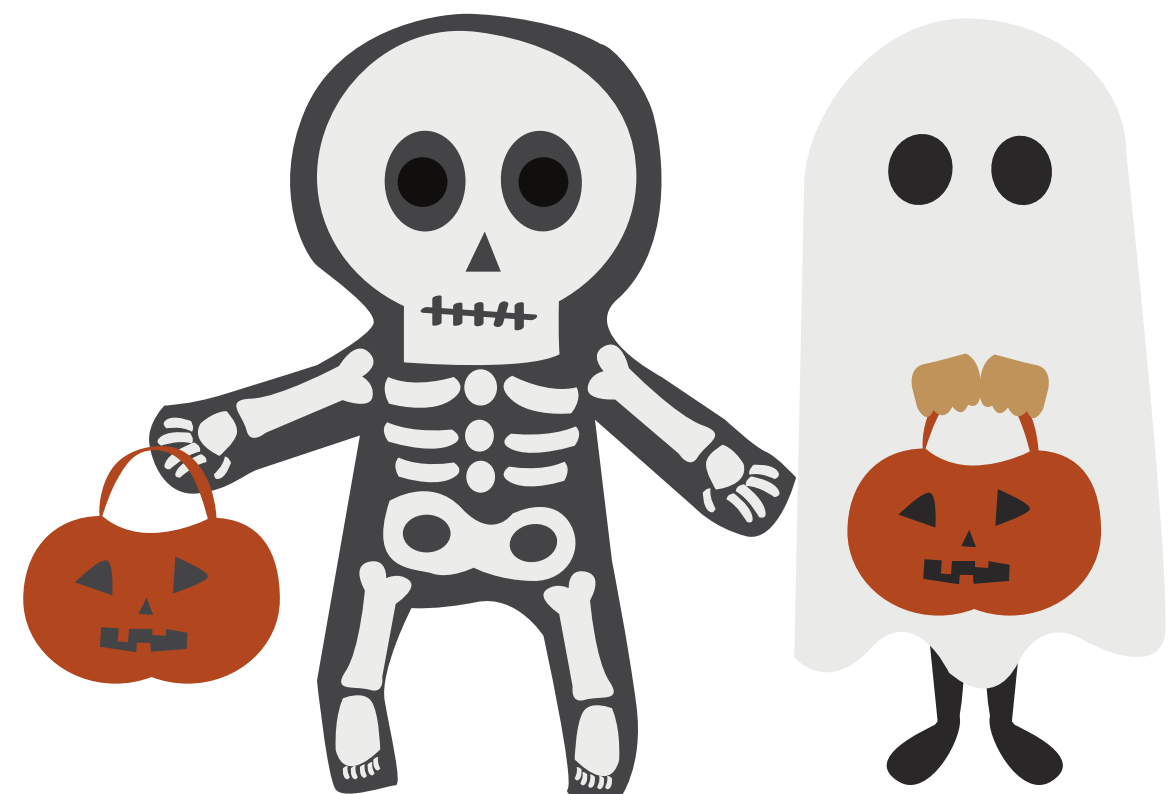

Halloween Costumes to share??

Anyone dress up this year?

Any pets dress up this year?

Send pictures to me or post in your class Facebook groups!

I would love to show the costumes off in the **November issue!**

- **She has stepped into the role of the practicum coordinator during these times.**
- **There has been lots of changes to the year's schedule that are not under our control so we appreciate you trying your best to make sure all of us get a similar amount of practicum days moving forward!**
- **Thank you for answering our practicum questions and getting back to us in a timely manner. That is much appreciated when everything feels very uncertain.**
