Online Resources to use for virtual teaching

"Blippi" on YouTube has a lot of educational videos for K-2! This one I linked is all about cooking but there are MANY to choose from.

Mathigon Polypad is SUPER helpful when teaching math during distance learning.

Do a novel study with your students using read aloud videos from YouTube. This read aloud playlist is from the book "The Lion, the Witch and the Wardrobe" and it is great for grades 4-6.
