

# Lost ORCID access?

## Two ways to recover your ORCID iD:

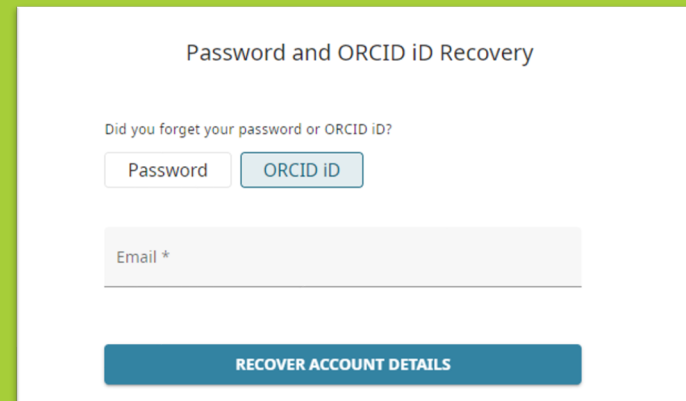

Sign in to your record page and 16-digit ORCID is shown below your name

The screenshot shows a user's ORCID record page. On the left, there is a box with the ORCID iD: <https://orcid.org/0000-0001-5727-2427>. A red box highlights the 16-digit ID, and a red arrow points to it. Below the ORCID iD is a link to "Preview public record". To the right, the user's name is listed as "Sofia Maria Hernandez Garcia". Below the name, there are sections for "Names", "Published name", "Name", and "Also known as". The "Published name" and "Name" sections both show "Sofia Garcia". The "Also known as" section shows "S. M. Garcia" and "Sofia Maria Garcia". There is also an "Emails" section with two email addresses: "s.garcia@orcid.org" and "s.garcia+tmp@orcid.org".

OR

- Go to <https://orcid.org/reset-password>
- Select ORCID
- Enter email address associated with your ORCID
- Click **Recover Account Details**
- You will receive email with your ORCID

The screenshot shows the "Password and ORCID iD Recovery" form. It asks "Did you forget your password or ORCID iD?" and has two radio buttons: "Password" and "ORCID iD". Below the radio buttons is an "Email \*" input field. At the bottom of the form is a blue button labeled "RECOVER ACCOUNT DETAILS".
