

Primary-Junior Stream Admission Requirements

Applicants who have completed at least one-half undergraduate or graduate credit in four or more of the following areas receive preference in the admissions process: English, Fine Arts, Health and Physical Education, Mathematics, Science, Social Science/Humanities (Canadian History/Geography preferred). [Click here](#) or a list of some acceptable courses.

Primary-Junior Stream (French) - special requirement

Applicants must be fluent in French and meet all minimum requirements for the Primary-Junior program. Five full French courses (or the equivalent) with a 70% average, at least two of which must be language courses, are required for admission to the FSL program. One or more full course equivalents in French literature is desirable for those hoping to teach in French-immersion settings.
