

# EGSA Mentorship Program Winter 2026

**The EGSA Winter 2026 Mentorship Program invites graduate students to engage in a supportive mentorship experience focused on academic development, professional growth, and community building. Participants will have the opportunity to exchange perspectives, strengthen skills, and form meaningful connections across the graduate community.**

**Registration is open on a rolling basis, with mentor-mentee connections beginning in January. Pairings will be introduced throughout the term based on shared interests, goals, and areas of development.**

**Join a collaborative mentorship initiative designed to support your success and enrich your graduate experience.**

**If you have any questions, please feel free to reach out to me (Shlair Alqais) at [salqais@uwo.ca](mailto:salqais@uwo.ca)**
