Employment

Professionally
Focused

Uses Applied
Research

The Doctor of Education (EdD) is an online course-based degree that engages students in collaborative, cohort-based learning. The program is designed to be completed in 3 years/ 9 consecutive terms. Students deeply investigate issues within educational environments through scaffolded learning opportunities that focus on theory and scholarly inquiry, and in the context of professional practice, culminating in the Dissertation in Practice.

Fields of Study

Equity, Diversity, and Social Justice

Basic Requirements

- ✔ Master's degree in education and/or related fields.
