

# Master of Arts (MA)

2 YEARS | ONSITE

Starts in  
September

Thesis, MRP or  
Course-Based

Research  
Intensive

Limited Ability  
to Maintain  
Full-Time  
Employment

The Master of Arts (MA) program is a robust, research-intensive degree that will help you build the rigorous academic skills for success in education and in corporate environments. Conduct leading-edge research and develop the right skills to accomplish your academic and career goals.

Funding opportunities may be available to those who qualify.

## Namarpreet Rodrigo

MA GRADUATE

“What I really like about the MA program is the amount of support and resources that are available.”

## Fields of Study

| Field of Study                                 | Thesis | MRP | Course-Based |
|--|--------|-----|--------------|
| School and Applied Child Psychology            | ✓      |     |              |
| Counselling Psychology                         | ✓      |     |              |
| Applied Linguistics                            | ✓      | ✓   | ✓            |
| Curriculum Studies                             | ✓      | ✓   | ✓            |
| Critical Policy, Equity and Leadership Studies | ✓      | ✓   | ✓            |

## Basic Requirements

- ✓ An honours degree (20 full course or equivalent) from an accredited university is recommended or required (depending on the field of study).
- ✓ Minimum “B” standing (70%) or equivalent in the final two years of study is required (depending on the field of study).

For a full list of requirements, please visit:  
[edu.uwo.ca/graduate-education/apply](https://edu.uwo.ca/graduate-education/apply)

- The combined MA/PhD degrees in SACP meet the academic requirements of the College of Psychologists of Ontario for registration as a Psychologist (PhD). We are accredited by the Canadian Psychological Association.
- The successful completion of our Graduate Programs does not lead to certification with the Ontario College of Teachers (OCT).
- Course-based pathways might not meet the prerequisites to be admitted into a research-intensive PhD program.

## How to apply

- 1 Choose a program and field of study.
- 2 Get your documents.
- 3 Submit your application online.
